Chairman's Report for the Period Ended 30 September 2012

Welcome to this, the 14th Annual Report of the Trust for residents and the Charity Commission. In recent years we have struggled to get the report out prior to the Annual Parish Meeting and, as indicated in this report last year, to help this happen, the year-end reporting date has been revised from 31 December to 30 September. It is important to note, therefore, that these financial statements relate to income and expenditure over a nine month period and this explains most of the variations when figures are compared to the previous year.

Economic Climate

The economic climate continues to cause concern. In 2008 we reported that the capital value of our investments had fallen by 18.7 per cent and this was followed in 2009 and 2010 by recoveries of 9.8 per cent and 7.7 per cent respectively. Although values fell by 3.7 per cent during 2011, they have expanded positively again (by 6.0 per cent) during the nine months ended 30 September 2012. It is also pleasing to report that income levels have been maintained and there has been no adverse impact on the levels of grants distributed. Full details are embodied within the financial statements.

Trustees

During 2012, one trustee retired. We say a big thank you to Deborah Shortland for her contribution to the Trust - the time spent on Trust activities can be considerable and Deborah's role has been very much appreciated and of great value to the Trust. We also welcomed two new trustees during the period, Carole Jordan (appointed 23 February 2012) and Richard Parker (appointed 23 February 2012); we thank them very much for joining us.

Here it is important that I thank all the trustees for their work on behalf of the Trust and therefore the community. If they were not prepared to put in the effort and time that they do the Trust would not be such a major asset to the Area of Benefit.

Grants

The granting of funds to people and organisations is the main objective for the Trust. We have been able to maintain the usual level of grants notwithstanding the economic climate and a full list of amounts distributed is set out on page 4 of these financial statements.

Publicity

The Trust has continued to maintain its website during 2012 with the aim of providing information that is required in a user-friendly manner. I hope you feel that we have achieved our aim and that you are able to easily contact by us other means as well should you wish.

Finance

As previously mentioned, the Trust's income is holding up and the capital value of investments as at 30 September 2012 was just over £1.9 million. The Trust is advised by Cazenove Capital Management, with amounts invested in common funds recommended by Cazenove and approved by the Charity Commission.

Bristow's Cottage

As reported last year, repair work on the cottage was completed during 2011 and there has been a tenant in the property since that time.

Public Benefit

One requirement on the Trust is that it should demonstrate what has been done over the period for the benefit of the public as dictated by the Trust Deed. The Trust incorporates these details throughout the financial statements and tries very hard to fulfil these objectives and make the Trust as widely known as possible for the Area of Benefit.

Finally

It must be stated again that the Trust is administered by the Trustees for all in the Area of Benefit, as laid down by the Trust Deed. It is the Trustees responsibility to run the Trust. However we are always grateful for all contributions from the community that will help us promote its purpose and achieve its aims.

Our meetings for 2013 are currently proposed to be on the 23 May, 11 July, 26 September and the 21 November 2013.

Thank you for taking the time to read this Annual Report.

They have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's Auditors are aware of that information.

Independent Auditors' Report

To the Trustees of the John Bristow and Thomas Mason Trust

We have audited the financial statements of the John Bristow and Thomas Mason Trust for the year ended 30 September 2012 on pages 8 to 14. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Trustees and Auditor

As explained more fully in the Trustees' Responsibilities Statement set out on page 5, the Trustees are responsible for the preparation of financial statements which give a true and fair view.

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit and the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on Financial Statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2012, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

30 September 2012

1. Accounting Policies

Basis of Preparation - The financial statements have been prepared under the historical cost convention, as modified for the valuation of certain tangible fixed assets, and in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2005) and applicable UK Accounting Standards and the Charities Act 2011.

Incoming and Expended Resources - Income includes dividends, interest receivable and rent receivable for the year. All grants and expenditure are accounted for when they become payable, including grants and loans which have been formally approved by the Trustees, but not yet paid.

Increases or decreases on the annual revaluation of the investment portfolio, and any other profit or loss on sale of investments is added or subtracted from the Endowment Fund. These movements are shown in the Statement of Financial Activities Endowment Fund column.

Funds - The unrestricted Funds represent monies which are available for future grants, the primary source of receipt is from the investment income generated by the Endowment Funds. The Endowment Fund is not available for distribution without the specific authority of the Charity Commissioners. It represents the endowment capital received by the charity adjusted for gains and losses on investments.

Statements of Policies

Reserves Policy

In line with the guidance issued by the Charity Commission, the Trustees have reviewed the need for reserves. The Trustees seek to apply all income on charitable purposes as soon as is reasonably prudent, however they have concluded:

1. that it is right to keep at least £20,000 to £30,000 in reserve as this approximates to four months outgoings and this is the amount required to ensure that the Trust can be run efficiently and to meet grant applications without delay.
2. that it is right to keep additional reserves when it is anticipated that there is a real prospect that the Trustees will, within the following two years or thereabouts, make a grant which is greater than 20% of the budgeted annual income. The amount of this reserve will depend on the size of the anticipated grant or the accumulated total if there is more than one.

The Trustees monitor the level of reserves at least three times a year.

Risk Management and Control Policy

The Trustees have identified the potential risks to which the Trust is exposed and have set up a risk register that is reviewed at least once a year. The Trustees are satisfied that they have established systems and procedures to mitigate those risks.

Investment Policy

It is the Trustees' policy to invest in equities, or other equity type investments, and in fixed interest stock and to place money with deposit takers.

The objective is to achieve growth, both in capital and income, but in particular to preserve the capital for future generations. Within that broad objective the aim is to obtain income in the region of £70,000 per annum from these investments.

The Trustees have appointed Cazenove as investment advisors. They seek appropriate lower risk investments and place no restrictions. Some funds are placed on deposit with Cazenove otherwise investments are in Common Investment Funds and Common Deposit Funds approved by the Charity Commission. The performance benchmarks are the FTSE All Share index for equity funds and the FTSE Government All Stocks index for fixed interest funds. Cazenove have no discretion to change the equity or fixed interest investments without specific instructions from the Trustees. Common Investment Funds from two or three different Investment Houses are chosen for both equity and fixed interest investments.

The ratio between funds in equities, other equity type investments, fixed interest and on deposit will vary, but in general 50% to 70% will be in equities, 0% to 10% in hedge funds and 25% to 40% in fixed interest. A small proportion may be with a deposit taker or in a current bank account.

Cazenove report four times a year on the investment performance and the investment policy is reviewed at least once a year.

The Trust also owns real property and there are special reasons for each holding. The Trustees do not invest in real property for purely investment purposes.

Policy on selection of individuals and institutions who are to receive grants

- i) the Area of Benefit will be taken as a whole and applications from any part of the Area of Benefit or communities within them will be considered on merit;
- ii) steps will be taken to achieve growth both in capital and in income but in particular to preserve Bristow's Cottage and other capital of the Trust for future generations;
- iii) in supporting projects and societies, the Trustees are determined that voluntary fund-raising efforts must not be impaired and it wishes community involvement to remain as strong as it has been in past years;
- iv) the Trustees are willing to work in co-operation with other charities within the Area of Benefit such as Smiths and Earle's.

Recruitment of Trustees

Co-opted Trustees are appointed following local recommendation from organisations and the community.

On appointment, a new Trustee is sent an induction pack comprising:

- Copy of the Trust Scheme dated 1 March 1999
- Copy of the Minutes of the special meeting of the Trustees held on 23rd June 2006 with the resolution to amend clause 8 (1) of the Trust Scheme.
- Copy of the most recent audited Trust Annual Report and Accounts
- Copy of the Charity Commission publication CC3 The Essential Trustee: What you need to know
- Copy of the shortened Charity Commission publication CC3 (a) The Essential Trustee and Introduction - A Summary.
- Details of the current Trustees including contact details
- Copy of the Minutes of the last Trustees' meeting
- Copy of the Charity Commission publication CC10 The Hallmark of an Effective Charity.

The Chairman then has a meeting with the new Trustee to give further information and details on the Trust and to answer any questions.

Policy of Conflict of Interest

Trustees must always be alert to the possibility of a conflict of interest. In particular they must make known, just as soon as feasible, any interest in a matter scheduled for or under discussion which may, in the opinion of others, give rise to even a remote possibility of bias. If the interest affects the Trustee personally, or affects a member of his or her family, the best course will usually be for the Trustee not to take part in the discussion and probably leave the room.

If the interest affects an organisation of which the Trustee is a member a more complicated situation arises. The interest must be made known as soon as possible and it is then for the Trustee, for the chairman of the meeting and for other Trustees present to exercise their judgement as to what part if any the Trustee should play in discussing the matter: it will usually be inappropriate for the Trustee to cast a vote.

The Trust Scheme

The Trust Scheme was set up by order of the Charity Commissioners for England and Wales effective 1 March 1999, and amended by a resolution passed at a special meeting of the Trustees on 23 June 2006.

Objects

The objects of the Trust as laid down by the Charity Commission are:-

1. The promotion of education in the Area of Benefit* through the provision and support of such facilities and services as the trustees think fit.
2. The relief of inhabitants** who are
 - a) in need, hardship or distress; or
 - b) sick, convalescent, disabled, handicapped or infirm.
3. The provision and support, with the object of improving the conditions of life of the inhabitants in the interests of social welfare, of facilities for recreation and other leisure-time occupation of the inhabitants or any sufficient section of them;
4. The provision and support of such other charitable purposes for the benefit of the inhabitants or any sufficient section of them as the trustees think fit.

Trustees

The Scheme for the John Bristow and Thomas Mason Trust, as amended by a resolution passed at a special meeting of the Trustees, states that there should be:

one ex officio trustee	the rector for the time being of the ecclesiastical parish of St. Nicholas, Charlwood
four nominated trustees:	three appointed by Charlwood Parish Council one appointed by the Governing Body of Charlwood Village Infant School
four co-opted trustees:	who, as far as possible, are persons who through residence, occupation, employment or otherwise have special knowledge of the Area of Benefit.

* the area of benefit is outlined on the map and is the 1926 boundary of the Parish of Charlwood

** "the inhabitants" means the inhabitants of the Area of Benefit

History of the John Bristow and Thomas Mason Trust

The John Bristow and Thomas Mason Trust formally came into existence on 1 March 1999 when the two Charlwood Charities of the John Bristow Charity and the Thomas Alexander Mason Trust combined to form a single new charity to carry on the work of both the charities.

History of John Bristow's Charity

John Bristow was rector of Charlwood from 1615 until his death in 1637. He was a local Charlwood man whose family had lived here for at least two centuries. He was comparatively well off, owning properties in Horley and Charlwood.

During his lifetime John Bristow built a cottage now known as Bristow's cottage and gave it, and the half acre adjoining, under the care of six trustees, to be "a Schoolhouse, and for the teaching of two poor children therein gratis". In his will he added a field of seven acres, now called Charity Field, beside Beggarshouse Lane and increased to three the number of children to receive free education.

The cottage remained as the village school for over 200 years, until a new and larger boys' school was built in 1840 and a new girls' school (now the Parish Hall) in 1852. In 1863 it was recorded that the aged schoolmaster, John Mann, was still teaching without charge, four poor children to read, write and cast accounts. Subsequently the cottage was let, with the rental income being used to support education.

For many years the cottage was occupied by a well known Charlwood character, Eric Wickens, and his family. When he died in 1995 the Trustees decided that the cottage needed extensive restoration, to preserve it, and to bring the bathroom and kitchen up to date. The charity did not, however, have sufficient funds to finance this expenditure, and therefore suggested an amalgamation with the Thomas Alexander Mason Trust.

The Charity Commission decided that the merger made sense since the Bristow's Charity and the Thomas Alexander Mason Trust both covered the same area of benefit, both covered education, both had the Rector of Charlwood as an ex officio Trustee, and it allowed the new charity to spend some of its capital on the restoration. The merger also allowed the cottage to be retained in community ownership, thus preserving a unique part of the heritage of the village.

History of the Thomas Alexander Mason Trust

Thomas Alexander Mason was born in Southwark in 1859. Actually he was born as Thomas Alexander Bear but changed his name to Mason by deed poll when he was 29. He inherited a successful family tobacco business which he sold to British American Tobacco at the end of the First World War. For many years he lived in Reigate, and died at the age of 90. He was a solitary man and a private benefactor, often buying plots of land and giving them to charities.

In 1926 he bought an acre of land in the centre of the village of Lowfield Heath "for the purpose of a recreation ground and open space". There is no record of why he made this gift. At that time Lowfield Heath was part of the Parish of Charlwood and the Charlwood Parish Council became the Trustee for the land.

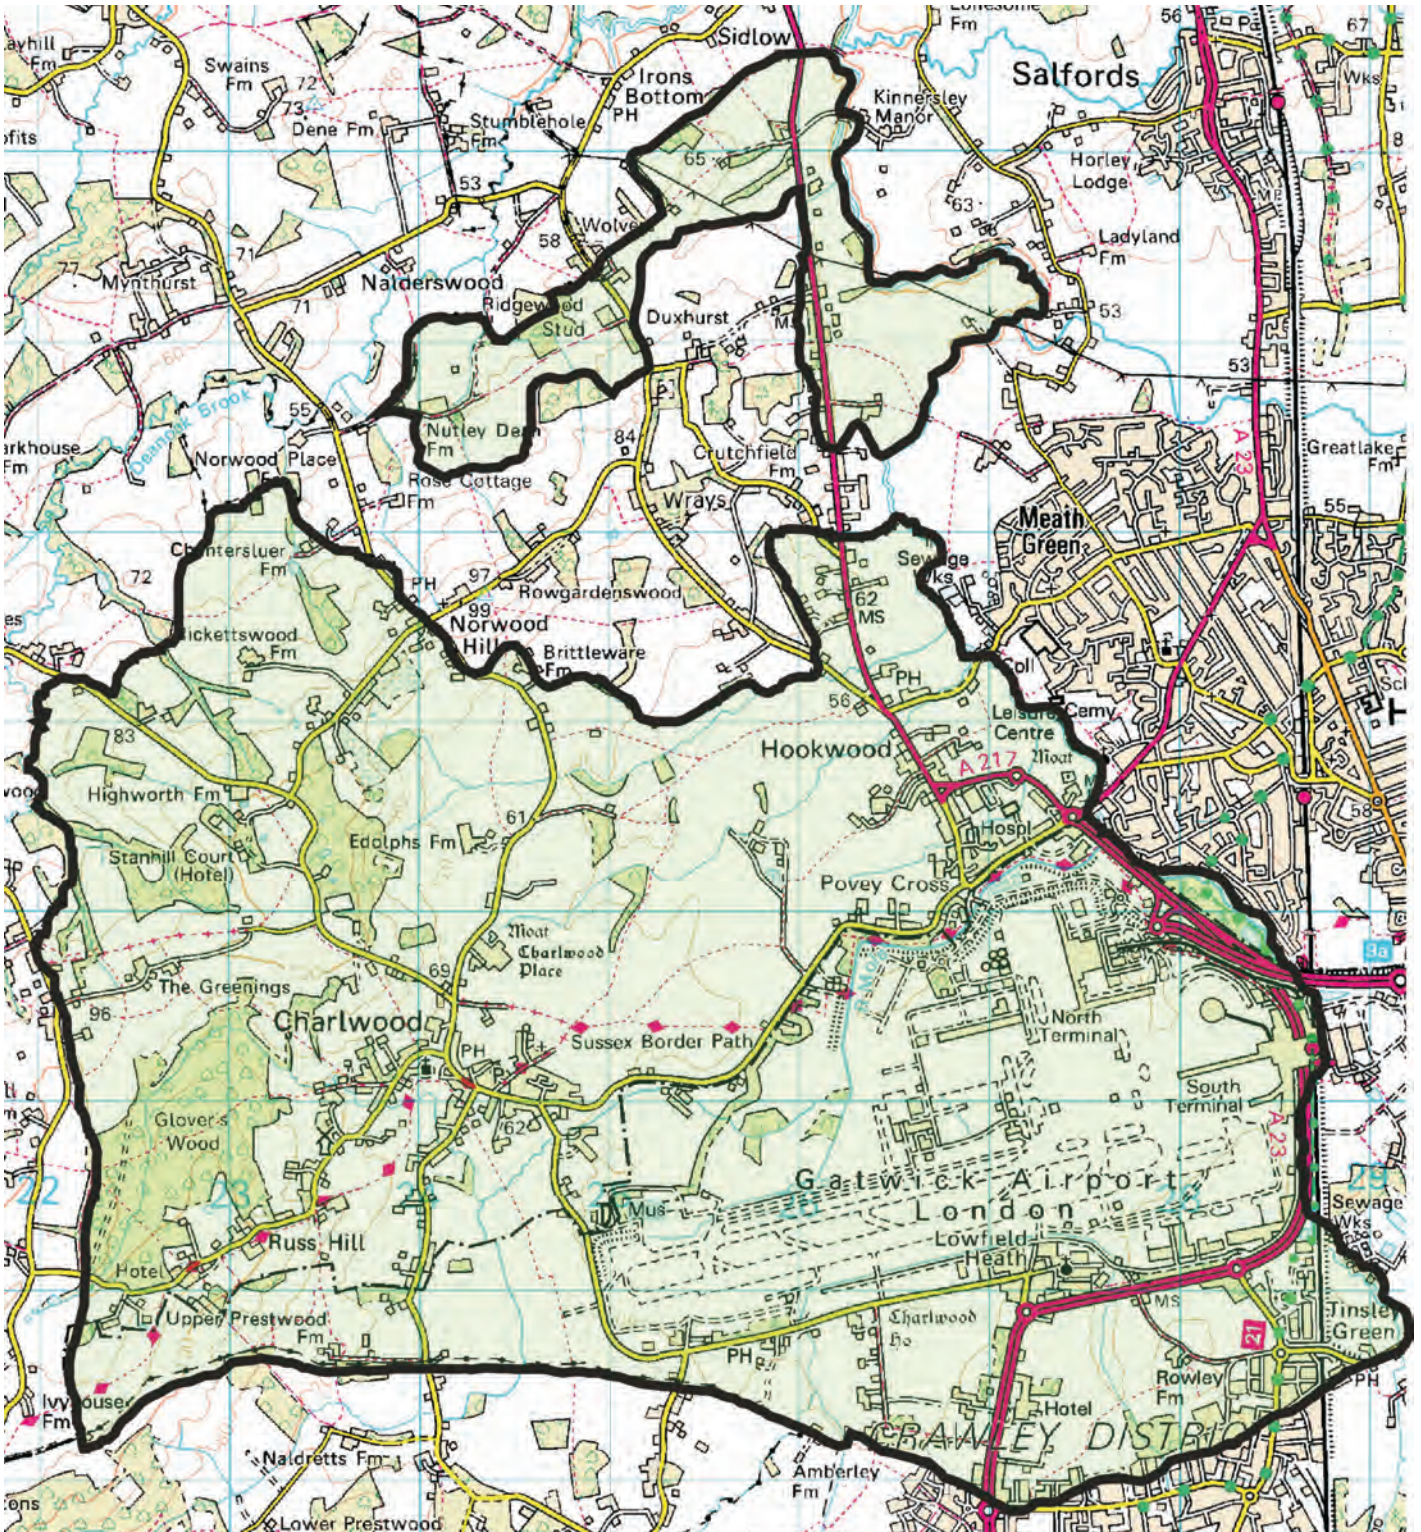

In the 1970s much of the village of Lowfield Heath was demolished due to the noise from Gatwick Airport, leaving just the church and the windmill. The 1973 boundary changes transferred Lowfield Heath to Crawley, but the Charity Commission ruled that the land should remain under the

trusteeship of Charlwood Parish Council. During the following eight years the ground became disused and overgrown and eventually planning permission was obtained for development.

In November 1981 the land was sold for £490,000. After guidance and direction from the Charity Commission as to who should have responsibility for safeguarding this large sum for the Parish, a new charitable trust was set up named after the original donor. The Trust, which came into existence in January 1983, was 'for the benefit of the inhabitants of the Parish of Charlwood', with the boundaries as they were in 1926 when Thomas Mason made his gift (as illustrated on the Area of Benefit map).

The Area of Benefit

The Area of Benefit as outlined on the map above is the 1926 boundary of the Parish of Charlwood.
